August 2017 – Volume 21, Number 2

From the editors

Greetings,

We are proud to present our 82nd issue of *TESL-EJ*. As usual, we have a rich collection of research and reviews from scholars around the globe. We thank everyone who has contributed—writers, reviewers, and editors. If you would like to be a reviewer, please register at our submissions site: <http://teslej-sub.org>.

We also would like to announce a change in editorship for our main articles: Tom Robb, co-founding editor of *TESL-EJ* will take over the main articles. I will still be involved in the assembling of new issues, and in the editing and publishing of books and manuscripts. Look for new additions soon!

Thanks for your support of TESL-EJ.
